MARION UTILITIES 2017 YEAR-IN-REVIEW

MARION UTILITIES 2017 YEAR-IN-REVIEW

1540 N. Washington St. • Marion, IN 46952 • www.marionutilities.com • 765.664.2391

WHO WE ARE

- Marion Utilities serves 12,500 customers and has 72 employees
- This is our 140th year serving the community
- We have four separate utilities - Water, Solid Waste, Wastewater and Storm Water - we strive to bring added value to our community through excellent customer service, low costs and environmental stewardship.

MONEY SPENT

- \$990,000 to paint the water tower at Marion High School
- \$800,000 on two new turbo blowers in our Wastewater Treatment Plant
- \$350,000 on parking lot renovations
- \$150 on a fats, oils and grease receiving station

STATS

In 2017, Marion Utilities:

- Paved 1,200 feet of roadway
- Installed more than 10,500 feet of new pipe
- Sold and picked up 15 Mega Bags

H2O Community

In 2013, we established H2O Community to help struggling families make ends meet. The program pays up to \$75 towards their utility bill once a year. The recipients take a money management class that helps them learn to budget their income.

325 INDIVIDUALS helped • \$6,032.77 in DONATIONS Received • 163 DISCOUNT cards sold

The Mission of Marion Utilities is to bring added value to the City of Marion by providing excellent customer service, maintaining the highest of standards for the lowest possible cost, and promoting environmental stewardship to ensure the future of our community.
